The Board of Directors submits the compensation report 2017 to the Annual General Meeting for approval by way of a non-binding advisory vote. The compensation report, including the report of the auditors, is set out on **pages 128 to 131** of the annual report. #### **Agenda item 8 Approval of the maximum total amount of compensations for the Board of Directors until the Annual General Meeting 2019**

In accordance with the Articles of Association, the Board of Directors proposes to the Annual General Meeting 2018 to approve the maximum total amount of compensations for the Board of Directors from the Annual General Meeting **2018 to the Annual General Meeting 2019.**

The proposed **maximum total amount of CHF 1 000 000** (*previous period: CHF 1 000 000*) contains the compensations of all current seven members of the Board of Directors standing for re-election, including the Chairman. It is based on the **foreseen sum of the fixed compensations, which remained unchanged compared to the previous year, plus potential additional amounts** payable to members arriving from abroad, and the assumption of a maximum of ten board meetings during the term of office.

#### **Agenda item 9 Approval of the maximum total amount of compensations for the Executive Board for the 2019 business year**

In accordance with the Articles of Association, the Board of Directors proposes to the Annual General Meeting 2018 to approve the maximum total amount of compensations for the members of the Executive Board **for the 2019 business year.**

The **maximum total amount** is calculated based on **the sum of the individual caps** of the maximum compensations payable to the members of the Executive Board per calendar year as contained in their employment contracts. The individual caps are CHF 2 200 000 for Giacomo Balzarini, CHF 1 500 000 for Adrian Murer and CHF 800 000 for Martin Heggli. They sum up to the proposed maximum total amount of compensations for the Executive Board of **CHF 4 500 000** (*previous period: CHF 4 500 000*).

The actual compensations for the 2019 business year will be established on the basis of the employment contracts and the 2019 business year results. They will be shown in detail in the 2019 compensation report, which will be submitted to the Annual General Meeting 2020 for approval by way of a non-binding advisory vote.
